Led by General DeWet and  
General Byers, another rebel-  
lion has broken out in South  
Africa. According to an offi-  
cial report received in London on  
Tuesday, the town of Helbron,  
in the northern part of the Or-  
ange River Colony has been  
seized by the rebels and the  
government officials taken pris-  
oners.

Proclamations have been is-  
sued by the government explain-  
ing the situation. These pro-  
clamations advise the people  
that the government has been  
aware of these rebellions, pre-  
parations and has been taking  
every possible step to preserve  
peace without bloodshed. "Now"  
the proclamation continues, "the  
duty of the Government is clear.  
It is determined to deal with  
the matter with a firm hand  
and is taking all steps neces-  
sary to this end."

General DeWet was a prom-  
inent figure in the South Afri-  
can war, and after the sur-  
render of Gen. Cronje, received the  
full command of the Boer forces.  
General Byers was also a noted  
figure in the South African  
War. With these two men at  
the head of the rebel forces the  
rising is considered most serious  
but in official circles it is thought  
that Premier Botha will suc-  
cessfully cope with and quell the  
rising.

### Battle in Northern France is Still Raging Furiously

The allied forces in northern  
France and southern Belgium  
are still desperately struggling  
for supremacy over the German  
armies. Violent attacks and  
counter attacks during the past  
week seem to have made little  
change in the situation. Offi-  
cial reports give but the slightest  
hint of what is going on con-  
taining themselves. With an-  
nouncements to the effect that  
violent attacks of the enemy  
have been repulsed.

### Big Orders for Canadian Firms

Orders for one and a half mil-  
lion shirts and fifty thousand  
saddles have been placed with  
Canadian firms by Mr. Freder-  
ick Bird, art agent for the Im-  
perial government.

The government is endeav-  
ouring to induce Mr. Stobart to  
place his large orders for  
goods manufactured in Canada.

## WHAT ABOUT A PATRIOTIC FUND?

Throughout the length and breadth of the Dominion, villages, towns and cities have been showing their patriotism by raising funds for the relief of those destined by the ravages of the European war, or for the purpose of sending warm clothing to the men now at the front. Other funds have been raised for the Red Cross society which is doing such splendid work on the battle fields.

Any of these funds should and no doubt will appeal to all local people, and it is generally felt that if a campaign is started in this district a generous response will be made.

In an address to his congregation last Sunday evening, the Rev. G. A. Steele spoke of the good work being done in Canada by various organizations and expressed the thought that members of this community would be glad to have the opportunity of showing their patriotism.

Some definite scheme should be adopted and a committee appointed to look after the work and with this in view it is suggested that a Citizens Patriotic Meeting should be held early next week. The News will gladly co-operate with any committee appointed and do everything possible to further the scheme.

Some generous contributions have already been offered and will be given as soon as a fund is started.

Past records show that the citizens of Oyen have always been most generous in their response to appeals of a public nature and in a movement which is Dominion wide and deserves the earnest and thoughtful consideration of every loyal subject, they will not be found wanting.

### Young People Give Entertainment

Breach of Promise Case keeps a Large Audience Amused for two hours

The young people of the Epworth League gave an entertainment last night in the Methodist Church which attracted a large audience. A breach of promise case was chosen for the occasion in which the plaintiff sued the defendant for \$5,000 damages.

The part of the plaintiff was taken by Mr. Alex. Corless, whose portrayal of a broken hearted and rejected female was most amusing. Roars of laughter greeted her appearance in the court room and it was only after repeated calls for "order in the court" that the merriment was subdued.

Mr. Chas. McMillan ably filled the part of the good looking defendant and showed a subtle wit while in the witness box. Mr. J. Howard Alexander as magistrate on the case lent dignity to the proceedings, but could not refrain from smiling when the plaintiff made eyes at him.

Mr. J. A. Jones acted as attorney for the plaintiff and Mr. R. Smith acted as attorney for the defendant. Both men handled their cases with judgment and summed up the evidence at their disposal very ably. Mr. Fox acted as constable and Dr. Swartzlander as Clerk of the Court. The jury was chosen from the audience, and after having the case presented to them by the magistrate who advised them that it was their duty to award damages to the plaintiff, retired to bring in a verdict.

After an absence of a few minutes they returned to the court room, when the foreman

announced that the jury had found the defendant guilty of a breach of promise and recommended that he be ordered to pay \$10,000 damages or make reparation by carrying out his promise.

The defendant decided to pay the damages, to which was added the costs of the court, namely 7 cents.

The entertainment afforded great amusement, and while there was room for improvement, it is evident that we have considerable talent in town, and there should be no lack of similar entertainments during the winter months. Considering the short time at the disposal of those taking part, the Breach of Promise case was a great success and the members of the League who took part are to be congratulated on their efforts.

### Championship Dance Attracted Large Crowd

Under the management of Messrs. J. Odden and D. C. Burkholder a dance was given in the Oyen Billiard Hall on Friday night last. The prize of ten dollars, offered for the best exhibition of waltzing, two stepping, and a French minuet was won by Mrs. Chas. Dalton and Mr. P. H. Peterson. Mr. D. McQuarrie, Mr. S. Cunningham, and Mr. H. H. Chase acted as judges and their decision was most favourably received.

The attendance was a record one and three sittings were found necessary to enable the dancers to have supper, which was served in the Oyen Cafe.

The prize dances which were staged immediately after supper created considerable interest and when the judges announced the names of the winners the spectators appeared well satisfied with their choice.

### Ladies Relief Society Hold Entertainment

On Thursday evening of last week the Ladies Relief Society gave an entertainment in the Methodist Church. Dr. Swartzlander officiated as chairman. In his remarks he reviewed the settling up of the district and set forth the present needs of those who are in destitute circumstances, appealing especially for the stricken families. Other items on the programme were a brief address by the Pastor, congratulating the ladies on this practical manifestation of the true christian spirit, a selection by the choir, songs by Mr. J. A. Jones, readings by Miss M. Alexander, Mr. H. R. Fox, Miss M. Ostrander, and excerpts from the "Tattler" by Mr. R. Smith. Home-made candy was provided by the ladies and sold in boxes. At the close of the programme light refreshments were served.

Total receipts for the fund amounted to \$25.40.

### Gun Club Shoot

James Lees Wins Both Competitions

Members of the Oyen Gun Club turned out in force on Tuesday afternoon to participate in a landroop shoot. The weather while fine was not ideal for shooting. A fairly stiff breeze blowing at the backs of the men while shooting accelerated the speed of the "birds" as they left the trap, but in spite of this fact several good scores were recorded. James Lees excelled himself and shot "like a fiend" carrying off first prize in both competitions.
